Mr. Esdale:

re: PRR 2009-462
911 Call That FDLE Listened to During Our Preliminary Inquiry

In response to your voicemail message - SA Rose had advised Assistant General Counsel Jim Martin (via email on May 7) **that he does not have a copy of the 911 call**, but that the Sarasota S.O. has the "original." I hope this clarifies our response.

Mr. Esdale:

re: Public records request PRR 2009-462
911 Call That FDLE Listened to During Our Preliminary Inquiry

Please be advised that our office does not have a copy of the requested "911" call. You may want to contact the Sarasota Sheriff's Office for the information you are seeking.

If you have any questions concerning your request, please email Assistant General Counsel James Martin at JamesMartin@fdle.state.fl.us.

Sincerely,

Gerri Gapinski
