**RE: Request to install again Judge Thomas Gallen in charge of case 2003 CP 001071 NC**

Dear Judge Haworth;

At the end of 2008, while reviewing the court records, I learned that on January 9, 2009, the above-mentioned case was scheduled with Judge Rick DeFuria.

On January 9, when I arrived to court, Judge DeFuria informed me that he had excused himself from the case.

Back in September 2008, I approached your Honor requesting to allow Judge Thomas Gallen to continue handling this probate case but the requested was denied.

**My dear husband Murray B. Cohen passed away six years ago today, January 13.** This is how long this case has been in court.

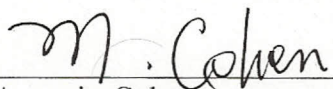

In case I did not report before, the estate of Murray B. Cohen has zero cents in the bank. Instead, the estate has thousands of dollars in pending bills.

The Honorable Thomas Gallen was in charge of this case during and after the 2007 Trial. He is familiar with the most important information about this case and I believe that it is in the best interest of the Estate of Murray B. Cohen to have a Judge who is already familiar with the case.

Because of all the above-mentioned reasons, I am respectfully requesting to name again and for good the Honorable Thomas Gallen in charge of case 2003 CP 001071 NC.

*Seeking Justice*

Very yours truly,
